

The MACC & Ala Kukui / Hana Retreat Present

THE WISDOM OF Sustainability

A Dialogue With Sulak Sivaraksa
& Manulani Aluli Meyer, PhD

Nobel Peace Prize nominee Sulak Sivaraksa and Dr. Manu Meyer will explore our globalized economy and how it affects us personally, spiritually, and as a community.

"Sulak Sivaraksa and I share a conviction that if we are to solve human problems, economic and technological development must be accompanied by an inner spiritual growth."

—His Holiness the Dalai Lama
